## Safety & Health Expo 11 – 13 May 2010

Escape Mobility Company are pleased to introduce our New Generation of Escape Products, being launched at the

### Safety & Health Expo, NEC Birmingham 11 – 13 May 2010

Escape Mobility Company will be launching the 'New Generation Escape-Chair® Comfort Model', together with new dust cover and information card, at the **Safety & Health Expo, NEC Birmingham 11 – 13 May 2010**. Why not come and meet the Team in **Hall 2, Stand P94** and we will happily provide you with an insight into our products and services that we can offer. You will soon be receiving an e-invite from us.

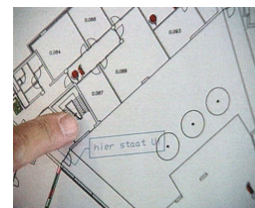

## New Generation Escape-Chair®

The New Generation Escape-Chairs® puts safety first. Its unique features help reduce the risk of injuries being sustained in an emergency evacuation. Such design features include: closed glidebelt cassettes, arm and footrests and two-height adjustable handles, to name just a few. There are many other features that make this product unique and every design aspect of the new generation of Escape-Chair®, helps reduce risks. So completing those risk assessment forms can be less of a headache.

## Free building analysis

Interested in more information on these innovative products? All of our evacuation equipment is supported by the A-Label Quality logo. Escape Mobility Company offers customers a demonstration of their evacuation equipment and an escape evacuation up-date. This includes a check on your current evacuation plans, for free.

## On-going commitment

As part of our on-going commitment to continually improve after sales customer service and to provide quality services at reasonable prices, we offer pro-active training and servicing on all of the equipment supplied.

## Special offer on training

Require training on using your evacuation chairs? Then why not take advantage of our newsletter offer today. We can offer you **10% discount** on all of our training packages, when you place an order with us. If you purchase **5 chairs or more**, we will provide you with a training session for **FREE**. Both offers are valid until **30 June 2010**.

For more information, please contact us on 0207 245 0695 or email us at [info@escape-mobility.com](mailto:info@escape-mobility.com).

(\*This offer does not apply in combination with other offers or discounts.)
